Appendices

There are a few appendices provided at the last portion of the manual. Some basic code/decode listing is provided as a reference so that user can adapt easily the application of MCDS. Before the user starts to use the system for data entry or mere system inquiry, user is advised to browse through the codes.

Terms Used In This

As the users start to read the user guide, there will be many terms User Guide which users have come across before especially those using Microsoft applications.

Note

This user guide does not attempt to explain the basic terms such as menu options, icons, screens and mouse clicks. For more information on these terms, please refer to the Microsoft Windows manual or other manuals which provide some guides as how to start using a computer.

Menu Selection/Path Selection of menu option is indicated by a series of menu options separated by vertical bars. For example, File | Exit means that users should select File from the main menu and subsequently select the Exit option from the pull-down File menu.

The eDec.Asia Malaysian Customs Declaration System subscription provides you with email and telephone technical support. In addition, your subscription includes 1 year on Up-To-Date information, features and email support on subscribed modules.
